REVISED:

<p>1. Purpose</p> <p>2. Delegation of Responsibility</p> <p>3. Guidelines</p>	<p style="text-align: center;">820. ENERGY MANAGEMENT CONSERVATION</p> <p>As the School Board of the Unionville-Chadds Ford School District, we believe it to be our responsibility to ensure that every effort is made to conserve energy and natural resources while exercising sound financial management.</p> <p>The implementation of this policy is the joint responsibility of the Board members, administrators, teachers, students and support personnel and its success is based on cooperation at all levels.</p> <p>The district will maintain accurate records of energy consumption and cost of energy and will provide information to the local media on the goals and progress of the energy conservation program.</p> <p>The principal will be accountable for energy management on his/her campus with energy audits being conducted and conservation program outlines being updated. Judicious use of the various energy systems of each campus will be the joint responsibility of the principal and head custodian to ensure that an efficient energy posture is maintained on a daily basis.</p> <p>To ensure the overall success of the energy management program, the following specific areas of emphasis will be adopted:</p> <ol style="list-style-type: none">1. Every student and employee will be expected to contribute to energy efficiency in our district. Every person will be expected to be an "energy saver" as well as an "energy consumer."2. Effective immediately, all unnecessary lighting in unoccupied areas will be turned off. All lights will be turned off when students and teachers leave school. Custodians will turn on lights only in the areas in which they are working.3. Energy management on his/her campus will be made a part of the principal's annual evaluation.
